The Forest Service lists closures between Silver Fir Campground at milepost 48 and Picture Lake at milepost 54 on September 30, October 1, October 5 and October 6. Hours are 7:30 a.m. to 4 p.m. Traffic cannot pass in either direction during that work.

SR 542 passes through Glacier before the climb to Heather Meadows and Artist Point. The Forest Service highway page lists the Glacier Public Service Center near milepost 34 for forest-road and trail information.

How high is Artist Point?

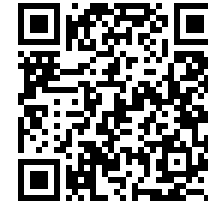

Artist Point is at about 5,140 feet at the end of SR 542. The WSDOT pass report lists the highway pass elevation separately.

When does the road to Artist Point close?

WSDOT closes the last 2.7 miles each fall, typically with the first snowfall. The opening date depends on snow removal and road conditions.
